**SNYDER MILLER & ORTON LLP'S  
TWELFTH COVER SHEET APPLICATION  
FOR REIMBURSEMENT OF EXPENSES  
FOR THE PERIOD FROM JULY 1, 2010  
THROUGH JULY 31, 2010**

[No Hearing Required]

Judge: Hon. Thomas E. Carlson

20  
21 Snyder Miller & Orton LLP ("SMO") submits its Twelfth Cover Sheet Application (the  
22 "Application") for Reimbursement of Expenses for the Period from July 1, 2010 through July 31,  
23 2010 (the "Application Period"). In support of the Application, SMO respectfully represents as  
24 follows:

25 1. SMO is Special Insurance Counsel for debtor and debtor in possession Plant Insulation  
26 Company (the "Debtor") in the above-referenced Chapter 11 case. SMO hereby applies to the Court  
27 for reimbursement of expenses incurred during the Application Period.  
28

2. SMO billed a total of \$418.48 in expenses during the Application Period.

3. SMO seeks reimbursement of 100% of these expenses. Because these costs are below the Contingency Professional Expense Cap, as defined by this Court's *Order Establishing Interim Fee Application and Expense Reimbursement Procedures* entered on September 24, 2009 (the "Interim Fee Procedures Order"), the Debtor is authorized to reimburse SMO for these expenses without prior Court approval.

4. The following chart reflects (1) the post-petition compensation and expense reimbursement amounts SMO has obtained authority to receive from the Debtor's estate pursuant to Interim Fee Procedures Order, and (2) excluding the amounts sought by this Application, the post-petition compensation and expense reimbursement amounts that are currently due and owing to SMO from the Debtor's estate:

5. Attached hereto as **Exhibit A** is the detailed billing statement for the Application Period, which includes a breakdown of the expenses incurred during the Application Period. Although the date of some of the advances listed on the detailed billing statement are prior to the Application Period, SMO paid and billed those advances during the Application Period.

6. SMO has served a copy of this Application on the Office of the United States Trustee, the Debtor, counsel for the Official Committee of Unsecured Creditors (the “Committee”), and counsel for the Futures Representative appointed by the Court in this case.

7. Notice of the filing of this Application has been served on the Office of the United States Trustee, the Debtor, counsel to the Committee, counsel to Futures Representative and any party who has requested special notice as of the date of the Notice.

If such an objection is filed, the Debtor is authorized to pay the 100% of the uncontested expenses.

9. The reimbursement of expenses sought in this Application is not final. Upon the conclusion of this case, SMO will seek fees and reimbursement of the expenses incurred for the totality of the services rendered in the case. Any interim fees or reimbursement of expenses approved by this Court and received by SMO will be credited against such final fees and expenses as may be allowed by this Court.

10. Based upon the foregoing, SMO respectfully requests that the Debtor pay compensation to SMO as requested herein pursuant to and in accordance with the terms of the

1 Interim Fee Procedures Order.
